- The Women's final has been moved back one week to 30 November. The Men's play-offs for 3rd to 8th place will still be held on this night
- Due to the number of weeks available, there are double rounds in the Women's competition – these are the weeks of 2 November and 16 November. Play is on Friday night and Sunday afternoon for these rounds
- The Men's competition has the same pool format as last year. Pools are:

<u>Pool A</u>	<u>Pool B</u>

- Rule 8.6.2 allows players who play up in the play-off or final to return to original team if they are a financial member of that club, are listed on a lower team list and have played at least two matches in the current season in the same competition.
- Players who play up three times during round robin play will become a member of the Caro Bowl team as per rule 7.10
